The Boettcher Foundation has significantly expanded its programming for Boettcher Scholars with the aim of equipping our Alumni community so that they can serve, lead, and give back in meaningful ways. We can't do that if we're not engaging with our community, and that's where our Class Champions come in! We are asking Class Champions to partner with the Boettcher Scholar Alumni Board in advancing three goals:

- Finding and maintaining contact information for every Scholar in your class,
- Assisting the Foundation and the Alumni board in sharing information about news, events, and programming to your class, and
- Championing all things Boettcher to your fellow Scholars.

To do this, we are asking that you:

- Use the information within our Boettcher Scholar 360Alumni portal as a starting point for reconnecting with your class,
- Use social media, your fellow classmates, and other search techniques to help us fill in missing contact information,
- Use social media to find and engage with your fellow Boettcher Scholars and encourage them to connect with the Foundation via our Boettcher Scholar 360Alumni portal,
- Update our Boettcher Scholar 360Alumni portal any time you learn of changes to a classmate's contact information,
- Provide progress reports to the Foundation in the fall and spring of each year,
- Get to know your classmates and their interests so that you can connect them to specific opportunities that align with those interests, and
- Share your identity as a Boettcher Scholar and your experiences at events via social media to help us raise awareness of the Boettcher Scholar community's impact.

We are in need of Class Champions for the following Scholar years:
